ISLANDERS YET UNAWARE
WORLD WAR HAS ENDED believed that the inhabitants are not as yet acquainted with the fact that hostilities have ceased among the war-PAPEETE, Tahiti, Aug. 24 .- Corre-CHURCH PROPAGANDA

spondence.—The first news from the world that Rapans will receive after a lapse of two years was carried shoard the French cruiser Aldebaran which recently left this port for the kolated island of Rapa, in the Dangerous Archipelago.

The island is populated by 150 Polynesians and one white man, a French official. Due to the Rapans not having received man for two years, and in all probability a boat not having Singh. "There are 100,000 Mohamtouched the island in that time, it is medans in the United States."

Old 'Owl' At Mexicali Sees Last Day When Edict of Mexico Arrives

MEXICALI, Lower California Sept. 21.— (Correspondence).—One by one the resorts whose names have bulked large in the traditions of the west are trimmed with dimples.

In the Owl were to be found all the dight help.

Tately I have been working only brighted dance hall of frontier days. The building itself was new, the old "Owl" having been destroyed by dire last February, but the traditions of the old place were much the same and those familiar with the older establishment were at home in the new. The old Owl was a huge, barn-like structure. Gaming tables and some pool and billard tables, surrounded by high scats for spectators, occupied its front spaces. Along one side ranged is front spaces. Along one side ranged into the rice told the police here that he went back to sleep immediately after a prowler. ago and spent much of the time in water, bears a resemblance to the present-day lizard, has so far been determined. About half of the bones, all of the spinal column, were exposed, leading to the belief that the whole skeleton may be obtained by merely digging it out.

But you are dressed just as I want you," insisted the artist

"But you are dressed just as I want held prisoner in the Russian consulate at Kirin.

Go on, do it," urged Edith May's filed was recaptured. Later when plans friend "He will give you a copy of the photo free."

This was the "photo" that finally and beld prisoner in the Russian consulate at Kirin.

He escaped shortly afterward, but was recaptured. Later when plans was recaptured. Later when plans was taken from the consulate by Chinese soldiers, to a train for Peking.

Awarded Prize for Being Most Beautiful of Young Sales Women

> BY ZOE BECKLEY. Staff Correspondent.

MONROE, Wis., Sept. 25.-It was just like a scene in a movie. An automobile swept to a stop

A sharp rat-tat sounded on the frame the screen door.
A lovely little face raised itself,

artled, from under the living room amp. A beginghamed figure rushed ut, to see a strange woman smiling n at her from the porch steps.
"Are you Edith May Leuenberger sked the woman.

Edith May's brown eyes widened Both hands went up to her cheeks. She tried to answer, but finding her oice didn't work, nodded her dark

"Well, I've come to tell you that the judges in the National Salesgirls' Beauty contest have chosen you win-

Truly? You're not-"

She didn't finish. She didn't have It was as if an electric light had somehow been turned on inside her charming little head, illumining her face and shining from her eyes.

The prettiest salesgirl in America took a few steps backward, gazing at the messenger who brought the good news, stumbled against a chair and sat abruptly down where she had been a moment before, under the lamp with a book.

There was an instant of stillness Then suddenly the room seemed full of people. Mother came in from some where, drying her hands on her apron. pretty girl cousin dropped from the clouds (or maybe from porch). A good looking blond young man appeared (perhaps also from the back porch). The cat came from the kitchen and rubbed around Edith

BROTHER REMAINS CALM. The good news messenger was put into the best chair and with true central-western hospitality bidden to "be home." Questions began to fly And the only calm and indifferent creature in sight was Edith May's kid brother who snored peacefully through all the excitement on the parlor couch "I simply can't be-lieve it!" Edith day kept saying. "Are you sure-

When will she start? Will she really see Broadway and orty-second street-

"And have a chance in a show and trial in the movies—". And a regular salary and every

"And if she shows talent for acting and works hard, and becomes fa "O-h,-Oh, isn't it just too ab-solute-

wonderful!" Even the book Edith May had been ending over under the lamp got excited and fell off the table.

I picked it up. What was it? A volume of Bertha M. Clay? A trea-tise on 'How to Become An Actress' Nothing of the sort. On tis cover read "Gregg's Shorthand, Part One.

And it was very worn and thumbed Edith May flashed her pearly smile

meeting an end. Latest to go is the "Owl" at Mexicall, which its operators and officials of the Cantu regime is Lower California freely admitted had paid large sums for permission looperate.

"But when I go to it, I am not just of the "boxes."

From near the theatre section a passage led to a space surrounded by several hundred small rooms, colloquially known as "The Yard," where outcast women lived.

Much of the costly gambling paraphernalia that was used in the old establishment was saved when the building burned and was used later in the rew "Owt."
